Wife of Ghanaian
international Richard
Kingson has confessed
bewitching her husband
since they got married.

Speaking at the Synagogue Church in Nigeria, the woman
revealed how she had used her evil powers to trouble the
goalkeeper's career and made him impotent as well.

The pastor of the church, TB Joshua prayed for her and
asked her to tell all that she was still hiding.

Masa believe you me i dont believe what happens at that
church and believe you me TB is a fraud. I dont know
much but where was this soo called bewitching when
olele was drinking his wifes tea from her table top tea
business and spending her school fees as a student of
Tema secondary school money when he was in royal and
had nothing it was the same woman who helped him, held
his hands when he was totally nothing and now that by
Gods grace things has worked out why would she do a
thing of this nature? its a lie and am saying this its a lie.
TB Joshua should go and ask who they were before olele

became olele even at a point in time in Turkey his career almost got ***barred word*** because he had a waste problem it was the same wife who was there. The thing is that Olele is old and he should just go and sit and allow new pair of hands to fill his shoes that is all there is to it nothing more nothing less.
